Health Discount Program

Affordable family health care.

Would you like to save 10-25% on many health care purchases for you and your family? It's easy, when you enroll in the Optum HealthAllies health discount program!

Optum HealthAllies is not insurance. It's a discount program that can help make health care affordable by offering reduced rates on hundreds of health care services from participating health care professionals and facilities.

By visiting a Optum HealthAllies provider, you can save on medical care, prescription drugs, vision and dental care, and much more.

Optum HealthAllies is ideal for those who:

- Want to save on dental, vision, alternative care, prescription drugs and many other health and wellness services that may not be covered by their insurance plan
- Do not have access to employer-sponsored benefits
- Are not eligible for or cannot afford an insured plan

Why pay full price, when you can save with Optum HealthAllies!

Save on all this and more:

Medical care

- 400,000 provider locations and 40,000 facilities nationwide
- Typical savings of 15-35% on primary care doctors and specialists, 5-35% on rehabilitation, physical therapy, and other services
- Typical savings of 5-20% on hospitals and out-patient clinics (Note: You must call Optum HealthAllies Customer Care to help arrange your discount in advance; not available in all states)

Prescription drugs

- Savings on all commonly prescribed medications
- Typically save 18-20% at 60,000 retail pharmacies, including most popular drug and supermarket chains; save even more when you use the mail order service for long-term prescriptions

Dental care

Typical savings of 10-35% on routine dental care such as cleanings, fillings and X-rays, as well as on root canal, crowns, gum treatment, oral surgery, orthodontics, and other dental specialties. And, get the smile you always wanted with savings on cosmetic treatments such as teeth whitening and veneers.

Vision care

- Pay no more than \$40 for an annual eye exam
- Typical savings of 10-20% on professional fees and materials (eyeglasses, contact lenses); and get the lowest prices on contacts by mail
- Typical savings of 15% (or 5% off promotional rates) on laser vision correction

Complementary and alternative care

Get relief for a host of conditions with acupuncture, chiropractic treatment, massage therapy and natural medicine, at typical savings of 20%.

Wellness programs

Get healthy with typical savings of 10-25% on fitness clubs*, "stop smoking" programs, weight loss, nutrition and more.

Long-term care services*

You'll typically save 10-30% on assisted living, nursing homes, home health care and other services for yourself and your family — including parents, in-laws and grandparents.

Hearing care

Typical savings of 10-50% from a network of independent audiologists, hearing aid dispensers, universities and hospitals, on hearing devices from all the large manufacturers. Other discount or even free services may be available, including:

- Testing and diagnostics
- Cleanings and adjustments
- Audiometric screenings
- Batteries

Infertility treatment

Typically save 20-30% on services to help couples conceive, with specialized clinical consultants and discounts on fertility medications.

Behavioral health

Get help coping with life's challenges, with discounts on counseling, psychology and addiction treatment. Typically save 15-35% on practitioners and 5-20% on facilities.

Cosmetic services

Seeking to enhance your appearance? Members can save typically 15-30% on most popular cosmetic surgical procedures, including breast augmentations, liposuction, tummy tuck, face lift, rhinoplasty and others.

*New memberships/new patients only
